FINE RECORD IS BROKEN

Mayor Collected \$250.90 for February.

QUANDAM BALL PLAYER

Is Picked up by the Local Police.

Belligerents Arrested and Made to Shake Hands—Policemen are Assigned to Beats for March.

"Dummy" Wrenn, a quandam ball player of renown throughout this part of the state, but now a member of the "down and out army," was arrested yesterday afternoon by Officer Bond and charged with drunkenness. "Dummy" was looked up over night and this morning was released without trial.

Time was when Wrenn could play a great game of baseball and many of his stunts have been cheered to the echo by local devotees of the game. He was a member of the famous Mariqui team that won the championship of the state. In Wrenn's day few of the ball players wore gloves as the man who used a mitt was regarded as afraid to take the sting of the ball on his "dainty whites."

The report of Mayor Scherff for the month of February, made public today, shows that he has collected

\$250.90 in city fines and \$900 in state fines. The amount of city fines is a record breaker and it is believed that the record will stand for some time.

The city fines were made much larger than usual by the raid on the resorts in the West End.

Floyd Bumbarger and John Miller were arrested yesterday afternoon on West Center street, near the railroad, for fighting. The men had not mixed it up very much when Officer Bell arrived on the scene and escorted them before the mayor. The executive dismissed them with a good lecture after which they shook hands and went away friends, instead of enemies.

The following police assignments were announced by Chief Cornwall today. Nights, district No. 1, Babcock; No. 2, Bell; No. 3, Christie; No. 4, McDonough; No. 5, Wilhelm; No. 6, Bond; No. 7, Chapman; No. 8, James; days, uptown, Slagle, west end, Fraze and Hostetter; patrol driver, Crabbe.

The changes went into effect today and will continue throughout the month.

Mayor Scherff today appointed Edward James, of this city, a special policeman, to serve until a regular man is appointed.

Within a few weeks a civil service examination will be held by the Safety board. After the examination the mayor will appoint a regular man. Officer Wilhelm was appointed a regular policeman several weeks ago.

PREMIUM LIST IS REVISED

Fair Board Holds Important Meeting.

TWO RACES ARE ADDED

Another Opening for Trotters and Pacers.

Suggestions were Received and Acted Upon Favorably by the Board of Fair Managers

The Board of Managers of the Marion County Agricultural Society met yesterday in the society room at the court house and made an entire revision of the premium list for the coming fair, increasing the amount to be awarded to exhibitors about \$500 more than was given last year.

The society had announced before that any suggestions would be received and given consideration. A large number of people appeared at the meeting and many of the suggestions were acted upon favorably. The board had made many changes, adding to the classification in the various departments and making the premiums within reach of a greater number of exhibitors.

The racing program was taken up and it was decided to add two stake races to the regular card. The races will be for a purse of \$500. One will be for pacing horse and the other for trotters. Nominations must be made by June 1 for these races. The entries can be made at any time previous to that date. A stake race is an innovation at the local fairs and it will doubtless be hailed with delight by horsemen and should improve the class of the racing.

Before adjourning the board leased the fairgrounds for a term of eleven months to W. T. Harrison, the present renter. All of the members of the board attended the meeting.
